

Kwik-Skirts

The Kwik-Skirt provides a fast, affordable way to dress up standard banquet tables, utilizing unique Hook & Loop Velcro-like fasteners for easy set up and removal. With the Kwik-Skirt, there's no more struggling with tape, staples, tacks or clips, and no more release paper to peel and toss. Stylish and reusable, the Kwik-Skirt measures 29 inches in height and 14 feet in length to wrap the front and two sides of your table. They are available in the same colors and designs as Kwik-Covers. Each Kwik-Skirt utilizes either a 6' or 8' white Kwik-Cover top (to fit the specific length of your table), and features the same unique "plastic with elastic" corners and Hook & Loop Velcro-like fasteners to attach the skirt to the cover.

Kwik-Skirt Combo Packs

- Each combo-pack contains one 6' or 8' white Kwik-Cover with Hook & Loop Velcro-like fasteners and one Kwik-Skirt
- Kwik-Skirts are available in all solid colors and prints except pink and lime green.
- Both Skirt and Cover include Hook & Loop Velcro-like fasteners

Bulk Kwik-Skirt

- Solid colors only except pink and lime green – prints not available in bulk
- Feature loop style (Velcro-like) fasteners sewn into the top pleat
- Covers with hook style (Velcro-like) fasteners sold separately in bulk

Bulk Kwik-Skirt Cover with Velcro-like fasteners

- 6'X30" and 8'X30"
- Available in white only
- Packaged 50 to a carton
- Designed to attach to our Kwik-Skirt or to your own cloth skirting that has loop style (Velcro-like) fasteners

Environmentally Friendly

Kwik-Covers are made with the environment in mind. Because Kwik-Covers are made with elasticized edges and are easy to clean, you have the option to use them over and over again. Kwik-Covers are so easy to put on and take off, all you need to do is wipe them off and fold them for the next use.
